(About DJ \$ID aka Zyro)

DJ \$ID

**DJ \$ID (Zyro), started his music journey 6 years back , He is the personification of all that's cool without being over the top and all that's classy without being ostentatious! Times have moved on and zyro has moved well ahead of them. Within a short span of 4 year. He continues to ride high at the pinnacle of the modern dance movement both as a DJ and, more importantly, a (electronic dance music) producer.**

Also its been a quite a while he is been working with bollywood's no1 Dj (**DJ NYK**) & as well as performed along with **Nawed khan** (Kings of speed) Powered by submerge 2014 & **Steve duda** (Bacardi together mix) (Bhubnaeswar) . Also he has done a opening act for sunburn 2013 reload tour along with (**Nds & blue**), Sunburn Campus along with **Nucleya** & Performed with (**Nikhil chinnapa**) vh1 Supersonic 101 campus (XIMB) (Bhubnaeswar) . Zyro as an **electronic music producer** as well as a bootleg artist has never buckled himself to any particular genre alone. Even way before his production had conquered the globe's dance floors ,

Zyro is mainly skilled in with **ambient , progressive house , electro house , trap , euro trance productions , dubstep** and even **drum and bass** . He has also worked for international record labels like **mantide records (France) , west drift records (uk) , dirt lies & audio recordings (uk) , Audiophilie (Belgium) Leading records (Mexico)** . Its been quite a while he is been experimenting on some new sounds to create super melodies and vibes which makes people to rave & groove to the beats.
